## Eye Bags & Dark Circles Balm

**Its revolutionary technology rich in Juveneye contributes to reduce dark circles and remove eye bags.**

An ideal preparation for daily care of the delicate zone around the eyes with anti-aging and moisturizing effects Perfect for all ages Innovative technology rich in Juveneye causes that bruising under the eyes and swelling are eliminated In addition, the formula stimulates microcirculation and strengthens capillaries The presence of proteoglycans a component with high anti-aging effects, contributes to the elasticity of the epidermis thanks to which wrinkles are smoothed. Aging also slows down the revolutionary molecule - fullerene C60 (active carbon) which is an extremely powerful antioxidant, i.e. a free radical scavenger The balm also has a draining effect, and thus prevents lymph stagnation The skin under the eyes is brightened, smoothed and hydrated.

# Active Ingredients & Benefits

**C-60:** powerful antioxidant and anti-radical

**Proteoglycans:** DNA repair and deep moisturising action

**Innovative technology rich in Juveneye** eliminate bruising and puffiness under the eyes through :-
